

Full or Part-time opportunity for a Family Physician on the shores of beautiful Lake Huron

The Sauble Family Health Team is looking for a primary care physician to work with our well-established team of 2 doctors (one retiring), 2 Nurse Practitioners (who share our practice load), 2 RPNS, 1 RN, 1 Social Worker and 2 efficient Admin Support. Funded by a blended salary model, you will receive a salary supplemented by benefits, an RRSP contribution, 3rd party billings, prev care bonuses, leadership stipends and a portion of OHIP billings. Extra income may be earned by hospital visits, ER shifts, etc., but these are totally optional and are not expected or required. The retiring physician will be available to provide locum coverage for short term absences such as vacation and maternity/paternity leave. Local schools are excellent and sporting/cultural opportunities abound. All seasons are enjoyed with our amazing sandy beach and nearby skiing and snowmobiling trails. Traveling to major centers is easily within a 2-to-3-hour drive so one can get to and from major cities within the day. Opportunities for partner employment are also available.

Please contact us as this really is too good to be true – s.qundrum@saublefht.ca or s.byers@saublefht.ca
