

Marathon Family Health LOCUM OPPORTUNITY

Are you seeking a brief break from big city life? Tired of the long commutes? How about a 10 minute commute...on foot!

The Marathon Family Health is seeking a Clinic Only Locum to work alongside its collegial and award winning team from August 22 to 26 (inclusive).

Remuneration

Zero overhead

*Clinic –\$980.00 per day (6hrs)

*20 minute appointment

*100% reimbursement for airfare, accommodation, rental car, and gas

*Travel stipend- up to \$1088.00

Our Health Team

We are a progressive and innovative practice with nine (9) associate physicians in an inter-professional clinic (social worker, dietician, RPNs, RNS, NP, physician assistant and epidemiologist) along with nine support staff and a clinic director that serves a local population of 3,100, as well as Pic River and Pic Moberg First Nations (total approximately 4200). Our spacious clinic features eighteen (18) exam rooms and is located next to the hospital with doctors sharing a large open-style office offering lots of opportunity for corridor consults. We are also a teaching facility for the Northern Ontario School of Medicine, so host medical students and residents on a regular basis. We also welcome locum physicians on a regular basis to maintain and provide quality healthcare within our community.

About Marathon

Boasting beautiful, natural vistas including boreal forests and rich mineral deposits, Marathon features a young and vibrant population; 72% of whom are under 45 years of age. This beautiful area of the north shore of Lake Superior offers many after-work activities.

In the summer, we have ATVing, mountain biking, tennis, hiking, golf, ultimate frisbee, fishing, volleyball and more. Outdoor music concerts take place occasionally and are great local events! Sea-kayaking is fabulous on the big lake - we are happy to lend you kayaks or canoes. Neys Provincial Park and Pukaskwa National Park (Largest National Park in Ontario) are each twenty minutes away.

In the winter, we have cross-country skiing, snowshoeing, skating, hiking, indoor swimming, ice fishing, skidooring, HIIT Fit, and more. During your placement you will have FREE access to our community activities. From golf in the summer to cross country skiing/ snowshoeing in the winter you will enjoy our outdoor playground.

Marathon Family Health LOCUM OPPORTUNITY

We hope you consider locuming alongside our team for the week of August 22 to 26. We are confident that you will enjoy your locum with our team and living/playing in our community!

We look forward to hearing from you.
